

Suzuki Association of the Americas Advertising Opportunities and Packages 2022-2023

The Suzuki Association of the Americas (SAA) is a communal learning space for artists, teachers, young people, parents, and those who believe in the power of music in our communities. Made up of 8,000 members across the US, Canada, and Latin America, our members work alongside young people to provide them with high-quality music education. The Suzuki Association reaches teachers, parents, students, and musicians. Our alumni include musicians in orchestras across the country, on stages across the world, and in leadership positions across a diverse range of fields outside of music.
