1) We are all good children  
 Father, mother, please help us.

2) Every child can be educated  
 Father, mother, please help us.

"Wishing" is a special piece Dr. Suzuki wrote for students to sing and play for their parents. Japanese children first performed it at the 1967 Annual Concert in Tokyo. Dr. Suzuki originally wrote it for violin, voice and piano. Here is a string arrangement for violin, viola, cello and bass students to play in his memory. Try to sing it in Japanese!
